THANK YOU

To the VOLUNTEERS, SUPPORTERS, AND PARTNERS working with us to BREAK BARRIERS for students, teachers, and families.

VOLUNTEER

Volunteers make our mission possible by sorting and counting, donations, stocking shelves, packing online orders, and staffing teacher shops and distributions. It's ideal for middle/high school and college students, groups or clubs, and any individual interested in a meaningful experience. Hours are flexible, with daytime, early evening, and Saturday opportunities.

HOST A COLLECTION DRIVE

Socks, school supplies, and personal hygiene products are among the most needed items for students living in poverty. You can help ensure that these essential items are something a child always has by holding a collection drive at any time for Shoes and Clothes for Kids. If you want to hold a virtual drive, we will create a personalized fundraising website to share with potential contributors.

➤ Email collectiondrives@sc4k.org to get started.
